

Important Patient Update: AllerVie Health – Sarasota Consolidation

Our Sarasota office will merge with our Bradenton clinic on October 9, 2025. We're ready to continue serving you in one of our nearby AllerVie Health clinics!

After thoughtful consideration, we've made the decision to merge our Sarasota clinic with our newly updated Bradenton office, just 12 miles away, so we can better serve you, offer expanded scheduling/shot availability, and more. We're committed to ensuring you have a smooth transition of care along the way! While all patient care will move to our Bradenton clinic, you may also choose to continue your care at our Venice office instead (only 16 miles south).

How This Will Impact You (Starting 10/9):

- **Continued access to the same providers you've come to know and love – with expanded shot hours and appointment availability!**
 - Dr. Rajivi Rucker and Solomia Pullen, NP also provide care in Bradenton and Venice.
 - Starting 10/9, Bradenton will be open 4 days per week every Monday – Thursday.
- **Immunotherapy (Allergy Shots) & Biologic Injection Patients**
 - Your shots will be located at our Bradenton clinic. If you prefer your vials be sent to Venice or another clinic, please call our team at 941.366.9711.
- **Existing/Future Scheduled Appointments**
 - Appointments scheduled at the Sarasota clinic after 10/9 will be moved to our Bradenton clinic for the same date and time. If you need to reschedule, please call 941.366.9711.
