

## Important Patient Update: AllerVie Health – Falls Church Consolidation

*Our Falls Church office will merge with our Fairfax clinic on November 3, 2025. We're ready to continue serving you in one of our nearby AllerVie Health clinics!*

**After thoughtful consideration, we've made the decision to merge our Falls Church clinic with our Fairfax office, just 10 minutes away, so we can better serve you, offer expanded scheduling/shot availability, and more.** We're committed to ensuring you have a smooth transition of care along the way! While all patient care will move to our Fairfax clinic, you may also choose to continue your care at our Arlington office instead (only 14 minutes southwest).

### How This Will Impact You (Starting 11/3):

- **Continued access to the same providers you've come to know and love**
  - Dr. Okocha and Dr. Hamzavi also provide care in Fairfax.
  - Starting 11/3, Fairfax will be open 4 days per week every Monday – Thursday with expanded hours.
- **Immunotherapy (Allergy Shots) & Biologic Injection Patients**
  - Your shots will be located at our Fairfax clinic. If you prefer your vials be sent to Arlington or another AllerVie clinic, please call our team at 703.534.5500.
- **Existing/Future Scheduled Appointments**
  - Appointments scheduled at the Falls Church clinic after 10/31 will be moved to our Fairfax clinic for the same date and time. If you need to reschedule, please call 703.534.5500.
