New Patient Packet

Thank you for making your first appointment with AllerVie Health!

AllerVie Health and our Board-Certified Allergists and Immunologists are committed to helping patients achieve and maintain optimal health and quality of life -- free from the symptoms and suffering of allergies, asthma, and related immunological conditions.

Please complete the new patient packet following this letter, and bring it along with your insurance and driver's license to your first appointment. Please keep in mind that your first appointment can be lengthy due to the extensive information you will be provided to assist you in managing your continued good health.

Here are a few things to know for your first appointment:

- **Discontinue all Antihistamines FIVE days prior to your appointment.** Common medications containing Antihistamines are Benadryl, Triaminic, cough and cold medicines. Do not stop taking Singulair or asthma inhalers. If you have questions on medications, contact the office.
- Please wear clothing that will allow allergy testing with ease. A two piece outfit, ex., shirt and pants work best.
- We love children! However, if you are being allergy tested you will need to remain stationary and it will be difficult to keep an eye on small children.
- We have Wi-Fi available in most locations for your convenience.
- Your visit as a new patient can last up to a few hours depending on testing needs. Please be prepared to stay at our office for the duration of your visit.
- **Remember that in order to be tested on the day of your initial visit you will need to discontinue certain medications five days prior to your appointment.** If you are concerned or have questions about which medications to discontinue, please do not hesitate to call our office.

Should you need to cancel or reschedule your appointment, please contact our office 24 hours before your appointment to avoid any cancellation fees, up to $50.

We look forward to serving you and helping you find relief from your allergy symptoms!

Sincerely,
The AllerVie Health Team

Payment Policy

ALL DEDUCTIBLES, CO-PAYMENTS, AND CO-INSURANCE ARE DUE AT THE TIME OF SERVICE

Proof of Insurance/Claims Submission: AllerVie Health must obtain a copy of a patient's driver's license and current valid insurance to provide proof of insurance. We participate with most insurance plans and will bill your insurance company as a courtesy to you. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility. We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with your insurance company's requests. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company so any issues with denial should be directly addressed with your insurance company.

Referrals: If you have an insurance plan with which AllerVie Health is contracted, you may need a referral authorization from your primary care physician/pediatrician. Please ensure all required referrals are sent to AllerVie at a minimum of 24 hours prior to your visit. If we have not received a referral at least 24 hours prior to your arrival at the office, your appointment may be rescheduled.

Labs: All lab work is performed by outside reference labs. AllerVie Health does not verify benefits and coverage on lab services. Patients will receive a bill directly from the lab regarding any balances after insurance is filed. Please reach out to the lab and/or your insurance company for billing issues and/or questions related to lab billing.

Co-payments and Deductibles: All co-payments, deductibles, balances, and co-insurance must be paid at the time of service. This arrangement is part of your contract with your insurance company.

Coverage Changes: If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits.
Methods of Payment: AllerVie Health accepts payment by cash, check, and card based on location.

Patient Statements: If you have an unpaid balance, you will receive a statement by mail or email monthly. The statement amount is due and payable when the statement is issued, and past due if not paid upon receipt. Balances over 90 days will be turned over to an attorney or collection agency for collections. All payments made go to the oldest outstanding balance.

Self Pay: We accept self-pay for our services at select AllerVie locations. If you are uninsured or wish to self-pay for our services, we will also provide financial counseling for you at your appointment. Payment is due in full at the time of service.

No Show Fee: Should you need to cancel or reschedule your appointment, please contact our office at least 24 hours before your appointment to avoid any cancellation fees, up to $50.

By accepting the terms outlined above I understand that all bills are payable upon presentation, and that I, not the insurance company, is ultimately responsible for payment of the services.

Signature and Acceptance

I understand that selecting Agree and entering name/initials via signature or electronic submission constitutes a legal signature confirming that I acknowledge and agree to the above policies set forth by AllerVie Health.
