

July 2023

NOTICE OF OUT-OF-NETWORK STATUS

Dr. Wolbert Out-of-Network with UnitedHealthcare, Effective August 2023

We wanted to let you know that **starting in August, Dr. Miguel Wolbert will no longer be part of the UnitedHealthcare network** of providers.

At West Texas Allergy, we are committed to providing you with quality and affordable healthcare for your allergy and asthma needs – and **we have good news!** There are several options available to you that allow us to continue our relationship together.

You can see any of our other amazing providers in our practice who are still in-network with UnitedHealthcare (UHC). *This notice only impacts the patients of Dr. Miguel Wolbert.*

- Kristianne Gore, PA-C (Midland)
- Emily Satterfield, NP (Midland)
- Dana Bell, NP (Lubbock)

If you'd like to continue seeing Dr. Wolbert, you can utilize alternative options to keep your care with us.

- **Out-Of-Network Benefits:** You have the option to contact UnitedHealthcare directly to see if there are any out-of-network benefits available to you that you can use with us.
- **Self-Pay (Private Pay) Options:** If you wish to utilize a self-pay option for our services, we will also provide financial counseling to you so you understand all the costs you would be responsible for at the time services are provided.

If you need to update your insurance information with us, please contact us as soon as possible. We still accept a comprehensive list of insurance providers and are available to assist with financial counseling and insurance verification prior to your visit.

We are here to serve you! Please call us at your earliest convenience so we can discuss your options.

Sincerely,

The West Texas Allergy Team
